

BASKETBALL TO HOLD THE BOARD

Circuit Leaguers Plan to Organize Representative Team This Season.

Advancement of organizing a representative basketball team and possibly a league was discussed at the weekly meeting of officials of the Circuit league held Tuesday night at the W. G. Wain company. A majority of the managers voted to drop the football league idea as it was considered that there is not enough material to organize any number of teams in the city. Many of the basketball players are also basketball stars, however, and it is believed that little difficulty would be experienced in getting together a strong team to enter the City league at the Y. M. C. A.

Games Postponed.
The scheduled game between the Terminale and Safety First teams for Thursday afternoon has been postponed until next Tuesday as a result of the rain. The Police and Fire teams which were scheduled to meet Monday afternoon at Rio Grande park have also postponed their game which will be played at a later date.

A meeting of Circuit league officials will be held Friday night at the Wain company for the purpose of considering a protest entered by the Terminale team.

The Overland BULLETIN

NEWS ITEM:

Ranchers cheered by precipitation that assures abundance of fall pasture.—Daily Paper.

Well, friends, I rise to remark that we have had some rain—the U. S. Weather Bureau over the phone said that Monday we had .14 and yesterday .31 precipitation—7.0 of an inch.

This rain is worth \$100.00 to every 40 acres of farm land in this community—in round figures \$1,000,000 to El Paso county alone.

If this keeps up we will all be buying a New Automobile. Anyway, we could start with a good used car.

I'll Say So

JACK McDONALD BACK IN TOWN

Referee Returns From Bisbee Where He Officiated in Welterweight Bout.

Referee Jack McDonald returned Tuesday night from Bisbee, Ariz., where he officiated in the 10 round battle between welterweights Frank Loughrey and Russell Chambers in the copper city ball park Tuesday night. He rendered a decision of a draw in the bout and which was in accordance with public opinion according to press accounts of the contest. A previous meeting between the two men was won by Chambers on points, but the fans were delighted with the sensational comeback of Loughrey, who fought the younger challenger to a standstill for 10 sessions. Both men were on their feet and going strong at the end.

Fans Like Bout.
Boxing fans of Bisbee showed their approval of the contest by attending in large numbers, according to McDonald. The fight was handled by manager George Winkler. Dick Ryan and Tom Egan and was a success in every way. All of the preliminaries were handled with much cooperation from the local fans of Bisbee in their efforts to provide clean boxing and inasmuch as not a cent of the proceeds go to individuals the three officials are contributing their efforts to make the glove game a success in the west.

Delmont Has Offer.
Gene Delmont, the fast little Memphis butler, is in line for a contract in the Copper City on October 6, with some fast 125 pounder of California or Arizona. Delmont left El Paso several days ago for San Francisco, where he fights tonight. He would be entitled to make a trip to Arizona in a short time and would incidentally place himself in a position for other good offers in the western states.

Referee McDonald Announced.
Tuesday night that boxing classes would be resumed in the high school, starting Thursday evening.

CHAVEZ AND LINCOLN.
Albuquerque, Sept. 24.—Renny Chavez, of this city, has been matched to box Ralph Lincoln, claimant of the Pacific Coast championship, at Tucson, October 16. George Joseph, Chavez' manager, closed the contract Tuesday night with A. C. Shannon, fight promoter of Tucson. The boys are featherweights. Chavez defeated Jack Douglas here Monday night.

Attention—Hunters.
Our line of hunting material this season is as complete as can be found in the entire Southwest. Guns, Ammunition, Hunting Coats, Game Bags and anything else you can possibly need will be found here. We close promptly at 4 o'clock Saturday.

KEE GEORGE TO ENTER THE RING

Receives Offer From Albuquerque Promoter; Will Also Box in Arizona.

Fred (Kid) George, middleweight scrapper, of California, returned Tuesday afternoon from Hot Springs, N. M., where he has been for the past two weeks and will leave for Albuquerque within the next few days for a bout there. Fred declared that he was in the best of condition as a result of his short vacation at Hot Springs and is ready and anxious to enter the ring against some of the middleweights of the state, but as Louis Benjamin, who is handling an entertainment card to be given in Albuquerque soon is a personal friend of his, Fred intends to do his first boxing in that city.

After Other Bout.
Manager Jack McDonald is planning an extensive campaign for the big fellow which will take him through Arizona and New Mexico. Fred has issued challenges to the fastest man of the section, including Rufus Williams and Speedball Hayden and confidently believes that he can defend his honor with any of them.

He can be reached at the Wain company of Jack McDonald and intends to return to El Paso after his appearance in Albuquerque.

Will Meet The Army-City Champs
(Continued From Previous Page.)
showed to such an advantage has led league officials to believe that they would be justified in arranging for a first class team to play here. While the local standard of ball is not considered as high as the association which has a double A rating, and is next to the majors, it is felt that the El Paso aggregation can put up an excellent game against the eastern cracks.

Fort Bayard Also.
Plans for the bringing of the Fort Bayard and perhaps the 25th Infantry teams to the city were discussed by the managers, but no definite action was taken. The first named club is ready and anxious to come to El Paso for a series of three or more games, while the 25th Infantry is also desirous of making the trip from Nogales. Action was deferred until a little later, when more time could be devoted to the matter of series.

Balance Schedule.
The subject of balancing the schedule caused much discussion among the managers. President McDonald reported that the league secretary desired to drop out of the league but efforts will be made to have the team stay in the circuit to finish the season's schedule, which extends only October 11. The 25th Infantry team is also anxious to complete the season. The manager of this team, however, assured the league officials that the regiment would be represented in the schedule until the end of the year, when it is desired that it do so.

Definite action on the action of the 25th Infantry team will be taken Thursday night.
The 25th Infantry team will either call another meeting of the league or announce that they will drop out of the league. The regularly scheduled game of Saturday between the 25th Infantry and Terriers will be played. The 25th Infantry and 485 teams will meet in the first game of Sunday afternoon and the Engineers and Zone in the second.

It's toasted

—which means that if you don't like LUCKY STRIKE Cigarettes you can get your money back from the dealer.

THE PANGS OF RHEUMATISM

Cannot Be Rubbed Away With Liniments.

You who are afflicted with this most painful disease—who know from experience just how excruciating its pangs are—get this fact fixed firmly in your mind, and it will aid you in finding a way to a complete recovery. Rheumatism cannot be rubbed away with liniments,—its pains and pangs cannot be wiped out as if by magic. A disease that is so full of torture and finally renders its victims so helpless, is a deep-seated one; it is not on the surface, hence it cannot be reached by external, surface remedies. This is no theory, for your own experience doubtless has shown you that you can never expect to rid yourself of the disease in this way.

For the chances are that you, like thousands of other sufferers, have been misled into the hope that liniments, lotions and other applications would cure your rheumatism. But what has been your experience? The pains possibly have been lessened for the time being, but have they not promptly returned, often with increased severity, and are you really any nearer a cure than before? You certainly are not, and you never will be as long as you rely upon treatment that at best is merely a makeshift.

See what Mr. J. L. Agnew, of Mt. Vernon, Ohio, says of what S. S. S. did for his rheumatism:

"For two years I was badly afflicted with rheumatism, the pains in my knees, legs and ankles being almost unbearable. I tried various remedies without result, until a physician advised me to use S. S. S., stating that the disease was in the blood. After taking a few bottles the pains and soreness were greatly lessened. I continued this medicine until all pain, soreness and inflammation were gone, and I was completely cured."

J. L. AGNEW,
604 E. Gambler Street,
Mt. Vernon, Ohio.
This is a typical case, and every-

one who has had the slightest experience with rheumatism will continue to suffer and grow worse until they are finally practically helpless unless they realize that the disease must be combated at its source. Rheumatism is often a diseased condition of the blood, the disease attacks the body through the blood, hence the system can be rid of its pains only after the blood has been cleansed of the germs of disease.

Lotions, liniments and ointments, applied to the surface may in some cases deaden the pain for the time being, but until you attack the disease at its foundation, you are making no progress toward a cure, and you are permitting the trouble to get a firmer hold on your system every day. This is one reason why Rheumatism is usually a permanent disease, staying with its victims year after year. Getting rid of the disease is merely a matter of treating it intelligently. Knowing that it cannot be cured by external applications, it is folly to rely upon such treatment.

S. S. S. is without question the most thorough blood medicine ever made, and it cleanses the blood of every impurity and disease germ. That is why it seldom fails to give satisfactory results in even the severest cases of Rheumatism. Being purely vegetable without a particle of mineral or chemical in its composition, it works by eliminating and forcing out of the blood all impurities, acting as a tonic to the entire system at the same time. It has been in use for more than fifty years and thousands of sufferers from rheumatism give it unstinted praise.

You are invited to write our medical department for full information and advice about the treatment of your own case, for which no charge is made. Address Swift Specific Co., 27 Swift Laboratory, Atlanta, Ga.

Church Leaguers To Meet Tonight

Representatives of Church league basketball teams will meet tonight at the Y. M. C. A. for the purpose of winding up plans for the formation of the 1915 league. Six teams were represented at the last meeting and it is expected that at least three more will apply for entrance tonight. The league this season promises to develop a number of fast players and the race for the pennant will undoubtedly be closely contested. A meeting will be called to order at 7 o'clock in the office of physical director A. L. Holm and all interested in its formation are requested to be present.

Letter For Lew Goodman; Others

If manager Sims Davis of the Army and City league all star baseball team will telegraph his address to The Herald for Lew Goodman from Mickey Riley of Phoenix. The letter will be turned over to Mr. Goodman on request.

PARENT TEACHERS TO MEET.
The Parent-Teachers' association of Grandview school will hold a reception at the school house Friday afternoon at 2 o'clock.

STROLLS THROUGH SPORTVILLE

By WILLIAM F. KIRK.

BAD PUBLICITY.
MOST publicity helps all forms of public entertainment, but when baseball fans begin reading baseball doings under the caption, "Court News," something is going to drop, and that something will be the attendance at the ball parks.

Baseball should have no differences that must be threshed out in courts. It is true that fans have often wished umpires could be given life sentences, but outside of that they don't like to see baseball and law get tangled up together. It is not for the best interests of the game, never was and never will be.

The good old cry, "Blow a hall!" applies well to baseball squabbles. Fans want to see ball games, not legal muses. It is true that under existing conditions the courts must be appealed to, but the sooner those conditions cease existing, the better it is going to be for our great national game.

Play ball, gentlemen! If you don't, well, the rapids are below you!

CHRONIC DISEASES

My success in the treatment of Chronic Diseases is due to the fact that I never attempt to estimate unless I can locate the cause and remove it, thereby practically eliminating all doubt and guess work every case I treat, therefore I am suffering with a deep-seated chronic trouble, it will pay you to call and get my opinion and advice. If curable I will treat you reasonably, if not I will tell you so.

I Cure Piles Without Cutting
DO NOT—Write for my new revised booklet on Piles and their treatment. It will be sent in plain sealed envelope FREE of charge and without obligation.

I have had twenty years' experience in active practice and my office are the largest and best equipped in the country.
